

## Finger Fun to 5

### Directions:

1. Have your child hold up one hand and have them count their fingers out loud.
2. Ask them to hold up 2 fingers, 4 fingers, 3 fingers etc...
3. Have your child hold up their fingers and count backwards.
4. Have your child hold up three fingers and count backwards, etc...
5. One person holds up 0-5 fingers and the other person tells how many they are holding up.
6. One person hold up 0-5 fingers and the other person has to tell how many more fingers are needed to get to 5.
