

## **Super Sound Stretch**

**Directions** 

\* I am going to say a word by stretching out the sounds and you are going to tell me what word I am saying.

**Examples** 

rrrrraaaaatttt (rat)

ssssiiiitttt (sit)

bbbbiiiigggg (big)

\*Let your child say a word in slow motion and you guess what word they are saying. This helps them stretch words out.
