

LITTLE BIRDIE

What does little birdie say
In her next as peep of day?
"Let me fly," says little birdie,
"Mother, let me fly away."
"Birdie, rest a little longer,
Till the little wings are stronger."
So she rests a little longer,
Then she flies away.

What does little baby say
In her bed at peep of day?
Baby says, like little birdie,
"Let me rise, and fly away."
"Baby, sleep a little longer,
Till the little limbs are stronger.
If she sleep a little longer,
Baby, too, shall fly away."
