

## Bubbles

### Recipe for Bubbles

1 cup of dishwashing soap

$\frac{1}{2}$  cup of glycerin (buy at the drug store)

$\frac{1}{2}$  cup of water

### Directions

\*Have your child help you make up the bubble mixture.

\*Pour the bubbles into a plastic container that has a big area where kids can put bubble wands into.

\*Be creative gathering or making bubble wands. A spoon with holes will work, wire twisted into shapes works, or buy wands from a store.

\*Most of all have fun!
