## **Five's Frame Activities**

- 1. Count forward to five. Count backwards to one.**
- 2. Put 3 counters on and count up. Do this from every number.**
- 3. Put 4 counters on and count backwards. Do this from every number.**
- 4. Put 2 counters on and ask, "How many more counter do you need to fill the five's frame?" Do this with every number.**
- 5. Ask, "How many ways can we make the number 4?" Here you will use the Christmas ornaments and red counters.  $(0 + 4 = 4)$   $(1 + 3 = 4)$   $(2 + 2 = 4)$   $(3 + 1 = 4)$   $(4 + 0 = 4)$  Do this with every number.**
