

# Growing a Pumpkin

## Directions:

1. Run off the cards; card stock paper works best (110 lb. paper).
2. Cut out the cards.
3. Talk about each card.
4. Ask your child to put the cards in the correct sequence of events.
5. Once your child has correctly sequenced the cards, put the cards in an envelope or zip lock bag.
6. Label the envelope or zip lock bag, "Growing a Pumpkin".
7. Your child can play this game over and over again!

Plant a pumpkin seed.

The seed grows a sprout.

The sprout becomes a pumpkin vine.

The pumpkin grows big and it is time to pick the pumpkin.
