

Penny, penny,
easily spent,
copper brown,
and worth one cent.

1

Nickel, nickel,
thick and fat,
you're worth five cents.
I know that.

2

Dime, dime,
little and thin,
I remember,
you're worth ten.

3

Quarter, quarter
big and bold,
you're worth
twenty-five
I am told!

4

Half dollar, half dollar,
the biggest coin,
you are worth
fifty cents
and hard to find!

5

I read this book 15 times!
