

# Big Brown Bear Has Gone to Sleep

Little robins fly away,  
fly away, fly away.  
Little robins fly away,  
now that winter's coming.

Little squirrels are gathering nuts,  
gathering nuts, gathering nuts.  
Little squirrels are gathering nuts,  
now that winter's coming.

Frogs and toads hop underground,  
underground, underground.  
Frogs and toads hop underground,  
now that winter's coming.

Little rabbits change their coats,  
change their coats, change their coats.  
Little rabbits change their coats,  
now that winter's coming.

Big long whales are swimming south,  
swimming south, swimming south.  
Big long whales are swimming south,  
now that winter's coming.

Big brown bear has gone to sleep,  
gone to sleep, gone to sleep.  
Big brown bear has gone to sleep,  
now that winter's coming.
