

Built a Snowman

Built a snowman,
built a snowman,
built a snowman,
big and round.
Shaped three snowballs,
different sizes,
stack them up one on one.

Dressed the snowman,
dressed the snowman,
dressed the snowman,
big and round.
Dressed him in a scarf and a vest,
so he looked his very best.

We love our snowman,
we love our snowman,
we love our snowman,
big and round.
Everyone admires him
from all over town.
