

The Frost

The frost is in the air.
The frost is in the air.
It's wintertime, it's wintertime,
the frost is in the air.

The frost is on the trees.
The frost is on the trees.
It's wintertime, it's wintertime,
the frost is on the trees.

The frost is on the windows.
The frost is on the windows.
It's wintertime, it's wintertime,
the frost is on the windows.

The frost is on the ground.
The frost is on the ground.
It's wintertime, it's wintertime,
the frost is on the ground.

The frost tells me it's cold.
The frost tells me it's cold.
It's wintertime, it's wintertime,
the frost tells me it's cold.
