# Little Raindrops

This is the sun,  
high up in the sky.

A dark cloud suddenly,  
comes sailing by.

These are the raindrops,  
which go pitter-patter.

Then out comes the rainbow,  
in such a beautiful manner.

.

# The Rain Cloud

One sunny summer morning,  
a fluffy cloud sailed on by.

When all at once he saw a field,  
which was really dry.

"All out!" the cloud cried,  
"There's work to do."

As a million raindrops jumped out  
and called, "Good day to you!"

# The Weather

There was a day when we got wet  
and rainy was the weather.

R-A-I-N-Y, R-A-I-N-Y, R-A-I-N-Y,  
and rainy was the weather.

There was a time when we had no rain  
and drought was the weather.

D-R-O-U-G-H-T, D-R-O-U-G-H-T, D-R-O-U-G-H-T,  
and drought was the weather.

There was a day when it snowed and snowed  
and blizzard was the weather.

B-L-I-Z-Z-A-R-D, B-L-I-Z-Z-A-R-D, B-L-I-Z-Z-A-R-D,  
and blizzard was the weather.

There was a day when it shinned and shinned  
and sunny was the weather.

S-U-N-N-Y, S-U-N-N-Y, S-U-N-N-Y,  
and sunny was the weather.

# Summer

If you are wearing shorts,  
if you are wearing shorts,  
if you are wearing shorts,  
point to them right now.

If you are wearing sandals,  
if you are wearing sandals,  
if you are wearing sandals,  
point to them right now.

If you are wearing a hat,  
if you are wearing a hat,  
if you are wearing a hat,  
point to it right now.

If you are wearing sun glasses,  
if you are wearing sun glasses,  
if you are wearing sun glasses,  
point to them right now.

What time of the year is it?  
What time of the year is it?  
What time of the year is it?  
Answer right now.

It's summer!

# The Sun

In the morning the sun is low;  
at noon he's high overhead.  
In the evening he dips again,  
before he goes to bed.

# Thunderstorm

Boom, bang, boom, bang!

Rumpety, lumpety, bump!

Zoom, zap, zoom, zap!

Crack, boom, bang!

What wonderful noises,

a thunderstorm makes!

# Clouds in the Sky

I can see  
many clouds in the sky.

When I look up  
the clouds fly by.

# Pitter, Patter

Pitter, patter,  
falls the rain,  
on the roof  
and windowpane.  
Softly, softly,  
it comes down,  
pitter-patter,  
all around.

# Wind Tricks

The wind is full of  
tricks today.

It blew our  
newspaper clean away.

It chased the trash can  
down the street  
and almost blew us  
off our feet!

# The Wind

The leaves are dancing,  
the wind is prancing.  
The clothes are waving,  
the wind is behaving.  
The trees are whistling,  
the wind is sizzling.  
The flags are flapping,  
the wind is slapping.  
The kites are flying,  
the wind is trying.  
The boats are sailing,  
the wind is trailing.

I see the wind when it blows my hair.  
I see the wind most everywhere.
