

## A Box of Love

### Directions:

- Wrap a box as pretty as can be.
- Write this note and attach it to the box.

### Note:

I took an ordinary box,  
as empty as can be.  
I filled it with a special gift  
and wrapped it carefully.

But please don't ever open it.  
Just leave the ribbon tied  
and hold it tightly near your heart  
because my love for you is inside!
