

Metaphor Mania

A metaphor helps make a person or thing vivid.

Example:

*He's as quiet as a mouse. (Instead of writing, he is very quiet.)

She is sneaky as a cat. (Instead of writing, she is sneaky.)

He swims like a fish. (Instead of writing, he is a good swimmer.)

Directions:

1. Write the metaphor sentences on index cards.
2. Each person picks an index card and then has to write a metaphor.
