

## Sentence Puzzles

### Directions:

1. Write a sentence on a sheet of paper and cut up each word.
2. Then mix up the words and the other person has to put the sentence back together.
3. You have to use your sentence structure skills to put the sentence back together.
4. Once you are done you can put the words into an envelope and write the sentence on the outside of the envelope. This way you can play this game over and over again.
