

Create Your Own Bar Graph

Create Your Own Bar Graph

Directions:

1. Decide on a bar graph you would like to make.

Ideas

1. How many trees are in each neighbor's yard?

2. How many windows are in your neighbor's houses?

3. How many chairs you have in each room.

4. How many flavors of ice cream each of your friend can name.

5. Be creative!

2. Decide what numbers you need to use and what words you will need to use in your graph.

3. Have fun gathering information to make your graph.
