

Penny, penny,  
easily spent,  
copper brown,  
and worth one cent.

1

Nickel, nickel,  
thick and fat,  
you're worth five cents.  
I know that.

2

Dime, dime,  
little and thin,  
I remember,  
you're worth ten.

3

Quarter, quarter  
big and bold,  
you're worth  
twenty-five  
I am told!

4

Half dollar, half dollar,  
the biggest coin,  
you are worth  
fifty cents  
and hard to find!

5

I read this book 15 times!
