

## Have a Ball to 20

### Before Playing:

1. Run off the "Have a Ball" game boards.
2. Run off the two set of balls.

### Games:

1. Put one balls on the game board and count up to twenty.  
Take one ball off at a time and count down.
2. Put \_\_\_\_ balls on the game board and count up.
3. Put \_\_\_\_ balls on the game board and ask, "How many more balls do you need to make twenty?"
4. Put two sets of balls on the separate game boards and ask, "What would the addition problem be?"
