

# Arranging Toys

## Directions:

1. Have your child get their favorite stuffed animal or toy.
2. Start out with you giving directions of where to hold the toy.
3. Then let your child tell you where to hold the toy.
4. Make it a game, have fun, and your child will understand directions in no time!

## Ideas for Directions:

- \*Hold your toy in front of you.
- \*Put your toy behind you.
- \*Put your toy in front of you near you.
- \*Put your toy in front of you far from you.
- \*Put your toy above your head.
- \*Put your toy below your head.
- \*Put your toy up in the air.
- \*Put your toy below your knees.
