

Mashed Potatoes

One potato, two potatoes,
three potatoes, four!
I made a batch of hot potatoes and
dropped them on the floor!!
(put hands on face in surprise)

Five potatoes, six potatoes,
seven potatoes, eight!
So I stomped them into mashed
potatoes and (stomp feet)

plopped them on a plate.
(plop potatoes on a plate!)

The children ate them up and
now they want some French fries!!!
How many French fries will you eat?

1,2,3,4,5,6,7,8,9,10 French fries!
(use fingers to count)

"Again?"

1,2,3,4,5,6,7,8,9,10 French fries! Oh my!
