

Ten Brave Firefighters

Ten brave firefighters sleeping in a row.
(hands by head sleeping)

Ding, dong, goes the bell
(pull the bell cord)

and down the pole they go.
(with hands together slide down the pole)

Off on the engine, oh, oh, oh!
(steer the fire engine)

Using the big hose, so, so, so.
(make a nozzle with hands to spray the
hose)

When all the fire's out, home so slow.
(walk very slow)

Back to bed, all in a row.
(hands by head sleeping)

Let's count the ten brave firemen.
1,2,3,4,5,6,7,8,9,10!
