

# Five Little Scarecrows

Five little scarecrows  
by the old barn door;  
one went home  
and then there were four.

Four little scarecrows  
by the old oak tree;  
one went home  
and then there were three.

Three little scarecrows  
with nothing to do;  
one went home  
and then there were two.

Two little scarecrows  
out in the sun;  
one went home  
and then there was one.

One little scarecrow  
out in the field;  
One wasn't fun  
so then there were NONE!
