

The Insects

The bugs in the air fly up and down,
up and down, up and down.

The bugs in the air fly up and down
all through the day.

The spiders on the bush spin a web,
spin a web, spin a web.

The spiders on the bush spin a web,
all through the day.

The crickets in the field hop up and down.
up and down, up and down.

The crickets in the field hop up and down
all through the day.

The bees in their hive go buzz, buzz, buzz;
buzz, buzz, buzz; buzz, buzz, buzz,

The bees in their hive go buzz, buzz, buzz
all through the day.
